

# SAT TEST DAY – Tuesday April 13th, 2021

## IMPORTANT INFORMATION

- Taking the SAT is a **graduation requirement** for the state of Illinois. You need to be here and be on time!
- We will begin checking in students in your classroom at 7:00am. We highly encourage you to arrive by 7:15am so we can begin testing on time. If you arrive late, you will not be admitted into the testing area and must return home. You will then be **required** to attend the SAT make-up date.
- Once you are admitted, you will need to find your seat in the classroom you are assigned to.
- Bring **ONLY** a calculator, and two number 2 pencils (no mechanical pencils).
- Do **NOT** bring book bags, purses, **cell phones**, work materials, books, or any other electronic devices. These items will not be allowed in the testing area and could compromise the validity of your test. If your cell phone makes any disruptions during the test time, your test will not be scored, and you will be removed from the testing area. Do not bring these items in with you!
- Remember to get a good night's rest the night before and eat breakfast in the morning. Please use the restroom before entering the testing area. There will be two scheduled breaks and students will not be allowed to use the restroom until these allotted times unless accommodations have been approved.
- Focus and do your absolute best on this test!
